Mrs. Lauren Lytle, Principal

As we look ahead to the upcoming school year, we want to take a moment to express our sincere gratitude for your continued trust, support, and dedication to the Academy of St. Joseph of the Palisades. Your unwavering commitment to ASJP and your children's formation is a true blessing to our school community.

At ASJP, we remain dedicated to fostering an environment where academic excellence and strong values go hand in hand. Our mission is to nurture the hearts, minds, and spirits of our students, equipping them with the knowledge, compassion, and character they need to become the leaders of tomorrow.

Enclosed, you will find the tuition and fees schedule for the 2025-2026 academic year. To continue providing a high-quality education and supporting our devoted educators, we have implemented a modest tuition increase of \$25 per month per student. This adjustment is necessary to keep pace with rising operational costs while ensuring the best possible learning experience for our students.

We deeply appreciate the sacrifices you make to provide your child with a Catholic education. Please know that we remain committed to supporting families who may need additional assistance.

Thank you for your continued partnership, trust, and dedication to Catholic education. We are truly blessed to walk this journey with you and look forward to another year of growth, faith, and learning together.

Sincerely,

Mrs. Lauren Lytle  
Principal
